

Ursuline Sisters, Congregation of Tildonk

E-News - August 2014

From Congregation Leadership:

Sister Benigna Cools from Belgian Province is in her last days. Sisters from Belgian Province are accompanying her round the clock. She is being assisted with morphine because she get acute pain and she becomes restless.

We will continue to pray for her. May she be blessed by God in her final journey and may she be strengthened to let go of herself.

We pray for all our Sisters suffering from different ailments and those aging. May God give them the courage they need to know and accept that each of them are 'God's Beloved' and that God loves them deeply.

From United States Province:

A GOOD OLD SUMMERTIME TEA July 27, 2014

On a Sunday afternoon in July at St. Ursula Center in Blue Point, approximately 135 women and 2 men gathered for a **GOOD OLD SUMMER TIME TEA**.

Small sandwiches and desserts along with selections of teas were provided and served by high school students from the area.

Sister Cecilia, our 98 year old sister, and the oldest in our Province, provided us with piano renditions of songs from the early 20th century. Gene Horton, our resident historian, shared with us aspects of the neighborhood of Blue Point as it was in the early 20th century. To add to the pleasure and excitement of the day, there were numerous raffles with beautiful prizes.

This TEA was the idea and work of a woman's prayer

and sharing group known as **"WOMAN'S SACRED JOURNEY"**, who expressed a desire to aid the Sisters financially.

Not only was this venture a financial success, but

A GOOD TIME WAS HAD BY ALL!
