PROVINCE DAY

St. Ursula Center, Blue Point, NY
February 22, 2014

Thank You

Thank You to Sister Jacinta Baxla, Province Leader of Gumla, who gave a PowerPoint presentation of recent projects completed in the Gumla Province. The projects included several that were funded by US Province donation to the IFAF (International Financial Aid Fund): a generator for the hostel and convent in Kariwasan, a deep bore well for the Ursuline School in Kemtatoli, and a scooter for the social worker at the Ursuline Rural Community College in Noatoli.

All the Sisters present were amazed at how many needed projects have been accomplished by the Sisters of the Gumla Province. The Sisters agreed unanimously to send an IFAF donation for 2014.

Women's Spa Night
St. Ursula Center, Blue Point, NY
March 7, 2014

On Friday, March 7th, the Ursuline Sisters of Tildonk Mission Advancement Office sponsored the third Women's Spa Night. The event, coordinated by the Event Planner, Liz Wilson, is an annual fundraiser and all proceeds benefit the Ursuline Sisters.

We are very pleased to say that over 90 women attended the event. A very special thank you to Liz, the members of the Spa Committee, and the many volunteers who planned and prepared the evening. Thanks to the 33 practitioners who kindly gave of their time and talent to make the evening so memorable. The women

attending were able to participate in three different treatments and therapies...among the many choices were various beauty treatments, massage, reflexology, yoga, t'ai chi chih, nutrition and meditation. We also raffled off 17 beautiful baskets which primarily consisted of items that were donated by local businesses and individuals.

Before the evening comes to a close, everyone is asking: "What is the date for the next Spa Night?" And this year, that question was answered as the women left to go home. Another very special Spa event is planned for **FRIDAY, MAY 16, 2014** -- **Women's Spring Spa Night!**
